OUR CHRISTMAS TRAIN OF LIGHTS IS THE MUST-SEE EVENT IN THE SOUTH WEST FESTIVE CALENDAR. COME AND CREATE SOME AMAZING FESTIVE MEMORIES!

Your illuminated journey starts at Queen's Park Station, Paignton, where our vintage carriages decorated with thousands of lights await you. You depart Paignton and head along the coastline for Churston where the show begins with displays (both old and new) - and there is a narrated story which will enhance the displays! You'll then travel onwards to Greenway, through the 450m Greenway tunnel which leads to the enchanted forest. The forest will be transformed by unique lighting and beautiful displays. The wonderful show ends as you leave the forest to be greeted by the twinkling lights of Dartmouth on the river Dart.

After a turnaround at Kingswear, and with the opportunity to disembark and take photographs, you will be on your way back to Paignton to experience the spectacle from a different direction - and with a very jolly Christmas atmosphere!
